Announcement

This is the first announcement for the international 10-days school on "Study Space Weather Effects: From the Sun to the Ground". The school will be held at the China Remote Sensing Satellite Ground Station - RADI/CAS - in Sanya, China from October 10 to 19, 2018. Full information is available at the official website: [http://www.apsco.int/2nd\\_space\\_science\\_school](http://www.apsco.int/2nd_space_science_school)

The registration to the school is now open, and will be closed on July 31, 2018. If you are interested to participate, please register online at the official website: Registration Form <[http://www.apsco.int/2nd\\_space\\_science\\_school/#rsvp](http://www.apsco.int/2nd_space_science_school/#rsvp)>
