

Dear colleagues

Please consider submitting an abstract to our session "Particle acceleration mechanisms in space plasmas: observations and theory" at upcoming EGU General Assembly, 8-13 April 2018, Vienna.

The session description can be found here:

<http://meetingorganizer.copernicus.org/EGU2018/session/27244>

The deadline for abstracts is 10 January 2018, 13:00 CET.

Happy Holidays !!!

Alessandro Retinò

on behalf of the ST 1.6 conveners
