\*ESWW15 - Call for the ESWW15 theme picture\*

Dear Colleague,

Since 2006, each European Space Weather Week had a \_theme picture\_.  
For ESWW15, you again have \*the opportunity to design it\*.

We introduced this idea last year for ESWW14 and it was a great success,  
so we look forward  
to seeing your great ideas again this year!

Its worth the effort!

the winning design will be \*\_used for the website banner, the esww15  
poster, presentations,...\_\*

\*\_and wins a full week \*\_esww15 ticket and a esww certificate\_\*!\_\*
