THIRD COSPAR SYMPOSIUM – JEJU ISLAND, SOUTH KOREA

18 - 22 SEPTEMBER 2017

ABSTRACT SUBMISSION DEADLINE

31 MARCH 2017

The 2017 COSPAR Symposium is the third of a new series of events initiated by COSPAR which aims to promote space research at a regional level in emerging countries.

The Symposium is multidisciplinary in nature and addresses topics ranging from astronomy, earth observation, planetology, astrobiology up to citizen science. The Symposium features plenary lectures, parallel and poster sessions, as well as training sessions. It is open to participants worldwide. The general topic for the third Symposium is "Small Satellites for Space Research".
